Highland Heights, KY

EDUCATION

NORTHERN KENTUCKY UNIVERSITY

Computer Information Technology

(GPA 3.54)

Aug 2020 - Present

CASSIAN GODSTED

WEB DEVELOPMENT PROFESSIONAL

EXPERIENCE

Operations and Events Assistant

Northern Kentucky University – College of Informatics

(August 2022 – PRESENT)

- Assisting with planning and coordination of College of Informatics/Informatics+ sponsored events (i.e. NKU Cybersecurity Symposium, etc.) as well as other events held in Griffin Hall including liaison, creation of conference materials, event set-up and tear down, registration, signage and collecting and managing event statistics.

Internal Systems Intern

INTERalliance of Greater Cincinnati

(June 2019 – PRESENT)

- Maintained existing internal technology applications used in the operations of the organization. This includes website maintenance, data organization and maintenance, and third-level support as needed.
- Managed both the INTERalliance and TechOlympics websites for over four years, including complete redesigns in 2022 and 2024.
- Rebuilt the website for the Carnegie, a local theatre, as the sole frontend developer.
- Helped plan and execute TechOlympics 2020-2024, which included bringing the nation's largest student run tech conference to new venues both in 2020 and 2024, as well as the transition to a first of its kind virtual event in 2021 and 2022.
- Helped train the incoming Leadership Council on the management of the INTERalliance websites and data management tools.

Technology Intern

Kroger – Cloud Technology

(June 2023 – August 2023)

- Worked to improve Azure and Google Cloud technology at Kroger.
